We appreciate your support implementing our Health and Safety protocols, especially with food, stuffies and toys at school. With Halloween approaching, we need to remind our students that snacks and treats, even pre-packaged, cannot be brought from home to share with others. Please keep all toys and stuffies at home. We understand that some students have been keeping them in backpacks, however they tend to find their way out of the bags throughout the day.

School Fees: School fees are \$35 and can be paid online through <https://www.schoolcashionline.com/> Should families require a payment plan, please contact Mrs. Mchale at the office.
