Daily Health Check UPDATE *February 12, 2021: The BC Centre for Disease Control (BCCDC) has recently updated the list of symptoms that we are supposed to consider when deciding whether our children are well enough to safely attend school. The updated 'Daily Health Check' can be found here: [Daily Health Check – APP](#) We appreciate your support implementing our Health and Safety protocols, especially with food, stuffies and toys at school. Please keep all toys and stuffies at home. We understand that some students have been keeping them in backpacks, however they tend to find their way out of the bags throughout the day.
